*Our second director, Mr. Vishal N. Solanki is our commercial in-charge and he looks after our customer requirements and provides the ultimate experience to our esteemed customers. He is backed by exceptional team of our Fleet Managers who look after difference facets of our customer and service segments.*

*Being in Transport business since 1997 as a small entrepreneur , Our company K.N SOLANKI TRANSPORT LTD was registered on February 2008 and since then we have been providing our customers with specialized transportation and logistical services tailored to meet the customer's specific needs and expectations. Our people are an elite group of industry leaders who bring a wealth of experience and knowledge to every challenge our customers present. Accompanying our exceptional people we utilize only the most modern of specialized equipment, ensuring that we can make any project more efficient and safe.*

*The company started off with Five truck & trailer with loading capacity of 30 metric tons and We have worked for over 20 years to provide the best transport service to our customers, and now we want to extend our services to your company. Our fleet consists of over 150 trucks imported from China (Howo, Faw), India (Tata), and the UK(Scania). We're your one-stop for all transport services as we transport locally, do local shunting from Port to ICD's, and CFS to port. Additionally, we provide cross-border transportation to Zambia, D.R.C., Malawi, Kenya, Burundi, and Rwanda. All drivers, crane operators, and general workers are fully trained and all employees and trucks comply with Tanzanian safety standards.*

*We have our own parking place and storage area along with technical staff for repair and maintenance of our vehicles. Our office staffs are well experienced in transport business. All our drivers and helpers are carefully selected and employed. All drivers are equipped with communication system and our patrol cars are always on the move in order to have systematic control of the vehicle movements.*

### **Mission**

*Our mission is to establish KNSolanki transport Ltd as the most responsive and efficient customer service oriented logistical company in Tanzania. We have an extensive presence in the industry and we specialize in the transporting of local cargo. Our unique combination of experienced and reliable staff along with our fleet of modern trucks, shipped directly from the United Kingdom and Brand new trucks imported from China, allows us to enjoy a competitive edge over others in the industry. Our goal is to offer customer satisfaction without any compromise.*

### **Our Vision**

*As a company established in 2008 we seek to become a leading company in Tanzania's transportation network by providing reliable and dependable services to clients. We also aspire to build strong business and social bonds with clients in order to be able to serve them better. .*

### **Our Values**

*We promote and endorse high moral and ethical standards. We inculcate an environment of cohesion and solidarity. We are committed to a zero harm policy and ensure all our work is conducted in a safe manner. We create a caring, engaged and enabled work environment that recognizes both individual and team contributions in pursuit of high performance. We take ownership of our behaviour and ensure that we serve our clientele with excellent customer-care and quality services. We take pride in what we do and promise satisfaction beyond expectations.*

### **OUR MANAGEMENT & TEAM**

*One of the company Directors, Mr. Ketan Narendra Solanki has long experience in the transport business. He is the key Manager in running the company. Backed by formidable team of fleet managers, mechanics and experienced drivers, the company intends to prove to be a transport competitor to reckon with. Our mission is to exceed the expectations of our customers through total quality management. Our objective is to provide cost effective and reliable solutions to help our customers to realize their goals.*

## **Communication**

*In the transport industry, communication is one of the most vital elements for successful operation, we ensure that all our drivers are equipped with smartphones. In addition to having access to different local lines depending on the country they are in, all our drivers have accessibility to the internet in the event that any documents or forms need to urgently be sent to them. The cost may be a little high but this attention to efficiency outweighs the cost of mishaps.*

## **Health and Safety:**

*We take Health and Safety extremely seriously. We ensure that all drivers are qualified and have extensive knowledge about roadside protocol. Additionally, we ensure that all our vehicles are inspected thoroughly before each and every trip so that mechanical failures are minimised.*

## **Workshop**

*We have an environmentally sound and user-friendly maintenance department. Our Workshop consists of all equipment required for the servicing of vehicles as well as their individual components. Additionally, our workshop also consists of equipment and materials required to maintain the aesthetics of the vehicles. In an industry where the integrity of vehicles is imperative, we also ensure that the vehicles in our fleet are presentable when on the move. Our mechanics are located at strategic points to ensure quick solutions in the event that our trucks are faced with problems during their journey.*

## **Future**

*We aspire to be one of the most reputable and well-known companies in East and Central Africa. In addition to being able to service all regions, we plan to consolidate our activities in order to ensure quick and economical transportation in the region.*
